

The Custer Renegades are back.

Wild West Days annual is on for 2009.

The dates will be June 27 and 28. A two day match format.

Match attendance will be limited to the first 50 shooters. SASS rules will apply.

Match fee will be \$65 which will include a participation gift, ten main match stages, two side matches, two lunches, a steak dinner and Concho awards.

The theme for this year's match will be the movie "**Open Range.**"
The stages will be inspired from it's great lines and gunfights.

"A man's got the right to protect his property and his life!"

Join Boss Spearman and Charley Waite as they seek justice and defend their free grazing rights against the evil Cattle baron Denton Baxter, his gang and his corrupt minion Sheriff Poole.

See the movie, and you will not want to miss this match!

Saturday will host 5 main match stages punctuated by a sandwich lunch. This will be followed by a Long range 100 yards rifle side match (any caliber) and our famous 100 steel targets fun team shoot the "Custer last stand"

A Steak BBQ with the trimmings will be served at 6pm followed by a brief awards ceremony.

Sunday will again present those fabulous 5 main match stages punctuated by a sandwich lunch break, and followed by a brief awards ceremony.

Match Schedule and Match Entry Form will be available on our web site after March 15.
